

Table 1: Teaching Performance History (2013 - 2017)

Course Title	Time	Instructor Eval.	Student Eval. Enrollment	Eval.	Overall
<i>Undergraduate Level Course</i>					
Intermediate Microeconomics	2013 W	4.0	76 (53%)	4.3	4.2
Intermediate Microeconomics	2013 F	4.0	75 (64%)	4.1	4.1
Intermediate Microeconomics	2015 SS II	5.0	55 (55%)	4.4	4.7
International Trade	2016 SS II	5.0	65 (21%)	4.2	4.6
<i>Ph.D. Level Course</i>					
Advanced Macroeconomics Theory I	2014 W	5.0	20 (100%)	4.7	4.9
Advanced Macroeconomics Theory II	2014 S	5.0	20 (100%)	4.5	4.8
Advanced Microeconomics Theory I	2016 F	4.8	41 (80%)	4.0	4.4
<i>Reference: 5.0-exceptional; 4.0-very good; 3.0-good; 2-fair; 1-poor</i>					

Notes: The table reports author's all the performance working as teaching assistant between 2013 to 2017. The maximum score for instructor/student evaluation is 5.0. The effective overall score marked with red is calculated as the arithmetic mean of instructor and student evaluation scores, following department convention. The typical score in the department is 4.0. In column of "Student Eval.", the percentage displayed in bracket stands for the responding rates to the TA evaluation. W: Winter Quarter, F: Fall Quarter, S: Spring Quarter, SS: Summer Session.
